

Fogli domande

ruolo biologico dei recettori dell'amaro

esperienze professionali inerenti l'uso clinico di sostanze naturali

Il Presidente

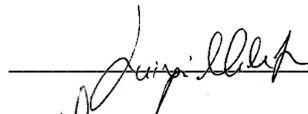

(Prof. Vincenzo Brancaleone)

---

Il Componente

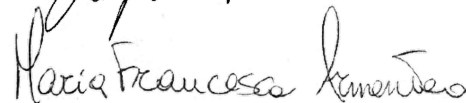

(Prof. Luigi Milella)

---

Il Segretario

(Prof.ssa Maria Francesca Armentano )

---

2

Valutazione attività antiossidante e sostanze naturali su cellula

Utilizzo sistemi cromatografici ad alte prestazioni

Il Presidente

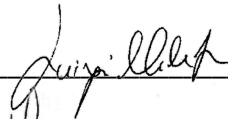

(Prof. Vincenzo Brancaleone)

---

Il Componente

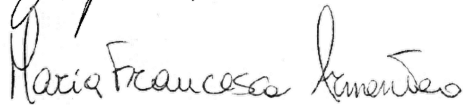

(Prof. Luigi Milella)

---

Il Segretario

(Prof.ssa Maria Francesca Armentano )

---

3

Metodi cell free per la valutazione dell'attività antiossidante

Utilizzo sistemi cromatografici tradizionali "paper chromatography e TLC"

Il Presidente

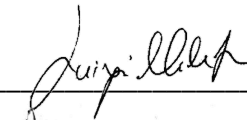

(Prof. Vincenzo Brancaleone)

---

Il Componente

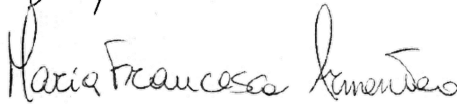

(Prof. Luigi Milella)

---

Il Segretario

(Prof.ssa Maria Francesca Armentano )
